FOR THE DISTRICT OF NEBRASKA

UNITED STATES OF AMERICA,)	CASE NO. 8:08CR419
)	
Plaintiff,)	
)	
vs.)	TENTATIVE FINDINGS
)	
CHAUNCEY TURPIN,)	
)	
Defendant.)	

The Court has received the Presentence Investigation Report ("PSR") and the Defendant's written statement (Filing No. 30), in which the Defendant states his intention to stand by the plea agreement. The plea agreement provides for a 2-level upward adjustment for obstruction of justice. The government informally objected to the lack of an adjustment for obstruction of justice to the probation officer; however, the government did not file objections as required. See "Order on Sentencing Schedule," ¶ 6. The Court advises the parties that these Tentative Findings are issued with the understanding that, under *United States v. Booker*, 543 U.S. 220 (2005), the sentencing guidelines are advisory.

IT IS ORDERED:

1. The Court's tentative findings are that the plea agreement should be upheld and the obstruction of justice enhancement should be applied;
2. The parties are notified that my tentative findings are that the PSR is correct in all other respects;
3. If **any** party wishes to challenge these tentative findings, the party shall file, as soon as possible but in any event before sentencing, and serve upon opposing counsel and the court a motion challenging these tentative findings, supported by (a) such

evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law, and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and an estimated length of time for the hearing;

4. Absent submission of the information required by paragraph 3 of this order, my tentative findings may become final; and

5. Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

DATED this 11th day of May, 2009.
